SPRINT 3 Daily Scrums

31 August

[31/08, 22:**24**] Donald: Daily scrum

I managed to use MJ method to get usernames and be able to send them into the database with the text. Left with student num part

[31/08, 22:30] Sikhanyiso: i havent done anything today

1 September

[01/09, 03:48] Kaone: Daily I didn't do anything

[01/09, 03:48] Kaone: Yesterday*

[01/09, 05:04] Mongezi: Daily Scrum

I didn't manage to do anything today

[01/09, 06:01] MJ: Daily scrum

Didn't do anything

[01/09, 21:35] Donald: Daily scrum. I can be able to send message with both student numbers and usernames.

Now the only thing is fetching the message and displaying it

[01/09, 21:36] Donald: Only thing left**

[01/09, 21:50] Kaone: Daily scrum

I didn't do anything

2 September

[02/09, 02:11] MJ: Daily scrum

Starting designing the add open window page

[02/09, 02:13] Mongezi: Daily Scrum

Had a little electricity problem couldn't do anything

[02/09, 08:10] Sikhanyiso: I looked up some testing methods

[02/09, 19:46] MJ: Guys load shedding is showing me dust, imma send my daily scrum now

[02/09, 19:46] MJ: Daily scrum

I didn't do anything today

[02/09, 20:08] Sikhanyiso: I ddnt do much tdy

[02/09, 20:09] Kaone: I didn't do much either

[02/09, 20:52] Donald: Daily scrum

I also didn't do anything much today

[02/09, 21:41] Donald: How many users stories do we need besides the one of chatting? I forgot

[02/09, 21:41] Donald: User*

[02/09, 21:45] Donald: 🤣😅 Eish never mind

[02/09, 21:51] Donald: Forget about this daily scrum… I'll do something after load shedding🏰

[02/09, 23:56] Donald: Daily scrum..

I can able to send message and display it. I still have to sort the styling part

3 September

[03/09, 09:29] Donald: I pushed

[03/09, 09:30] Donald: So i guess we managed to do three or two user stories

[03/09, 09:31] Mongezi: Oh okay i see

[03/09, 09:31] Mongezi: two, right?

[03/09, 09:32] Donald: I think the first three

[03/09, 09:35] Mongezi: okay the comment section? I didn't get what we will be doing i that one

[03/09, 09:35] Donald: Me too😊 I'm not really sure

[03/09, 11:22] MJ: Are you still having that deleting problem ?

[03/09, 11:22] MJ: This

[03/09, 11:23] Donald: Yes..

[03/09, 11:28] MJ: There's a way I deleted events on that click thing I told you about

[03/09, 11:29] Donald: Oh okay I'll check that out

[03/09, 11:30] MJ: You want it to delete the messages and load a messages from another chat neh ?

[03/09, 11:47] Donald: Yes . But not to delete it from the database but from html

[03/09, 11:48] MJ: Yah I think that's what I did

[03/09, 11:51] Donald: Alright then ..💯

[03/09, 12:47] Sikhanyiso: I dnt get you

[03/09, 12:54] Sikhanyiso: You can comment on an answer when you have a follow up question based on that answer or when you wanna add more points to a answer

4 September

[04/09, 00:07] Donald: Daily scrum

I didn't do anything

[04/09, 11:30] MJ: You want it to delete the messages

[04/09, 18:10] Sikhanyiso: I looked up some testing methods

5 September

[05/09, 19:06] Dons: Yes.. I'll send my daily scrum before 23:00

[05/09, 19:23] MJ: Daily scrum I didn't do anything today

[05/09, 19:59] Mongezi: Daily Scrum I also didn't do anything

[05/09, 21:24] Kaone: Daily scrum I did nothing.

[05/09 22:45] Dons: Daily scrum I did an html part of listing users on a scrollable list.

I will do the fetching part tomorrow

6 September

[06/09, 22:06] Dons: Daily scrum. I can able to fetch all users and display them in a list.

Who's doing the chatting functionality so that we can combine/link ?

[06/09 22:09] MJ: Daily scrum

Worked on showing events/time slots for appointments... will complete tomorrow

@Dons I will also need that list, a copy of it of course that leads to the users' calendar events

[06/09, 22:38] Kaone: Daily scrum didn't do anything practical

7 September

[07/09, 22:24] Donald: Daily scrum

I added an extra user story. Viewing profile of the user you chatting with. And fixed some bugs I am still dealing with under chats

8 September

[08/09, 04:26] MJ: Daily scrum (7 Sep)

I did nothing today

[08/09, 05:05] Mongezi: Daily Scrum (7 Sept)

I didn't do anything

[08/09, 09:09] Sikhanyiso: 👆

[08/09, 10:34] Kaone: Same

[08/09, 19:02] MJ: Daily scrum

Did created a calendar for booking an open window, still have some while loop bug which I'll fix tomorrow

[08/09, 22:49] Donald: Daily scrum.

I added chat activity diagram under wiki. I also documented our meetings and uploaded on github

9 September

[09/09, 00:21] Sikhanyiso: Daily scrum I didn't do much.

[09/09, 06:08] Mongezi: Daily Scrum (9 September) I didn't do much but today i want to check out this other way of fetching messages

[09/09, 06:20] Mongezi: Sorry 8 September

[09/09, 22:47] Donald: Daily scrum

I didn't do anything

[09/09, 22:47] Kaone: Daily scrum I haven't done much

[09/09, 22:48] Kaone: Which user stories have we covered to date and hows progress on others

[09/09, 22:48] Kaone: You may answer depending on what you have been pushing

[09/09, 22:52] Donald: Chat, still has some visible bugs and Chat user profiles

10 September

[10/09, 00:26] Sikhanyiso: im trying to improve coveralls

[10/09, 06:09] MJ: Daily scrum (9 September)Fixed some while loop bug and also placed calendar months on different pages

[10/09, 07:51] Mongezi: Daily Scrum (9 September) I didn't do anything

[10/09, 19:59] MJ: Daily scrum

Calendar dates are now clickable ✅

[10/09, 23:01] Donald: Daily scrum.

Fixed the chat bugs. I am getting there.

I also looked at upload pic under profile to add some extra user stories. I haven't pushed that thou. But i will in case if we're in short of user stories.

11 September

[11/09, 08:10] MJ: How many user stories do we have in total so far (even the ones that are not yet completed) ? 😕

[11/09, 08:10] MJ: I'm doing 1

[11/09, 08:12] Mongezi: here

[11/09, 08:13] MJ: Didn't we show comment section?

[11/09, 08:14] Donald: 1.I did one of sending and receiving messages.

2.Viewing user's profiles

[11/09, 08:15] MJ: So that's 4

[11/09, 08:15] Donald: 1st. Not completed

[11/09, 08:15] Mongezi: what's missing?

[11/09, 08:19] Donald: Let's say I fetched your messages and then after that i fetch MJs. They all display. So i tried MJs way of events. I think there is something I'm missing. You can check that out. It's just a mini bug

[11/09, 08:20] Mongezi: okay i'll do it

[11/09, 08:20] MJ: Wait lemme see what he's missing from my method

[11/09, 08:20] MJ: What html file is it ?

[11/09, 08:21] MJ: I mean js

[11/09, 08:21] Donald: Check send_message and fetch_message

[11/09, 08:22] MJ: Oh okay in which file did you handle the clicking "chats" 😕

[11/09, 08:23] Donald: Under send_message.

[11/09, 08:23] MJ: 👆

[11/09, 08:27] Mongezi: oh okay

[11/09, 08:28] MJ: Donald

[11/09, 08:28] MJ: Can you pull and check if it's fixed I'm not sure how to test it

[11/09, 08:29] Donald: No problem

[11/09, 08:41] Donald: It's working fine now󰗈󰗈

[11/09, 08:41] MJ: 🍗😂

12 September

[12/09, 05:14] Mongezi: I'm doing it, sorry i fell asleep yesterday

[12/09, 05:16] Mongezi: Daily Scrum

I didn't add much but today i'm working on writing the function that displays the messages

[12/09, 23:02] Dons: Daily scrum.I linked the post feed that Sikhanyiso did with the respective courses.(but there are some minor bugs with stylinmess

I also tried modifying the view user list with some styling

[12/09, 23:34] Sikhanyiso: Daily scrum I did nothing today

[12/09 23:41] Mongezi: Daily ScrumCouldn't get much done because of loadshedding but i'm doing it right now
